

Hometown Civitan Club Highlighted Club Awards

Chartered in March 2015 as an all-women's club, we ended our first year of existence by being awarded Outstanding New Club of the Year in North America. Over the past eight years we have:

- provided funding of over \$80,000 to deserving local 501(c)(3) charitable organizations
- received the Civitan International Honorable Mention for Outstanding Civitan Club 2019-20
- received the CI Second Place Award for Outstanding Community Service Project 2019-20
- been awarded Volunteer Club of the Year in 2021 by the Villages Homeowners Advocates
- received the Florida District Outstanding Club of the Year Award for 2021-22
- received the Outstanding Service to Sumter District Schools in 2023 from the Sumter County School Board

We were the first club in the state to be approved to work with the Supervisor of Elections Office to staff an early voting place in the Adopt-A-Precinct program. This was and is our primary fundraising project to provide support for our selected charities.
